

NSC 2019 ANNUAL RIVER FLOAT

Saturday, August 10th at 12:00pm

We will be leaving from the Club at Noon. Bring your floating device and Life Jacket (you must have a Life Jacket in order to float). We will be floating to 4668 East River road. If you wish to leave a car there, you can park on the front lawn across from the river. We will be meeting back at the Club around 3:00pm for Hot Dogs and Hamburgers.

Please bring a Side Dish, Salad or Dessert to share.

If there are any boaters or watercraft owners that would like to join us, it would be great to have you along in case we need help.

If you have any questions, you can contact Dave Wilkinson 480-5618,
Vicki Wilkinson @ 480-2836 or Scott Henderson @ 725-7414

Jump in, the water's fine!
